New Business:

- Dr. Enberg (VMSG) - would like to discuss a highly suspected case of aCIRDC seen at VMSG last week and update pDVMs on current recommendations.
- Introduce new President of the SBVVMA - Dr. Jeff Pelton!
- The SBVVMA is looking for a new Vice President

Introduce Guests:

- **Sponsor:** BI
- **Title:** For Feline Diabetes, It's a Whole New Game
- **Speaker Bio:** Andrew Evan Schreibman, DVM

Dr. Schreibman earned his DVM from the College of Veterinary Medicine at Mississippi State University, completed a residency program in Anatomic Pathology at the University of Missouri, and served as a Small Animal Medicine and Surgery Intern at the Department of Veterinary Clinical Medicine with the University of Illinois. He brings over 20 years of diverse education and experience in veterinary medicine built from multiple disciplines –

clinical practice, research, academia, and industry. Dr. Schreiberman has authored and co-authored several publications and scientific presentations. In his current role as Senior Professional Services Veterinarian, he presents information to colleges, corporate accounts, local associations, sales distributor partners, and individual practices. Passionate about continuous learning and evidence-based medicine, Dr. Schreiberman is always seeking opportunities to provide the best education to everyone from pre-veterinary students to specialized Key Opinion Leaders. Outside of veterinary medicine, he umpires high school football & baseball and runs marathons with his wife Lisa.

Adjournment:

- **By Whom:** Dr. Jeff Pelton
- **Time:** 20:36
